Case Studies - a range of flexible options for companies of all sizes...

We offer a variety of services to a range of companies - from small businesses to blue chip corporations. Here are four case-studies showcasing our key product areas:

Personalised Hampers

add your identity to our existing range...

We have a wide range of 'off-the-shelf' Gift Boxes and Hampers that can be personalised with your logo or corporate identity. **Stratstone of Mayfair** approached us looking for a premium gift to reward customers purchasing a new Land Rover Evoque. We personalised one of our Luxury Hampers by applying the Stratstone logo to a silver-embossed wide black ribbon and a black laser-engraved acrylic tag. The result was elegant, simple and stylish - just the thing for Land Rover.

Bespoke Hampers

create something totally unique...

Many clients come to us looking for something totally unique - what we call a Bespoke Hamper. Christmas Hampers have been a tradition at **Pizza Express** since the 1960s when founder Peter Boizot first presented them to staff. We've created, packed and delivered around 30,000 of these hampers over the past four years. Our designers create a fresh look each year and our operational team has the experience to cope with anything from a special one-off job to a large scale contract such as this.

Promotional Hampers

support marketing initiatives & PR activity...

We create Promotional Hampers for a wide range of Businesses, Marketing Companies and PR Agencies and were approached to develop some Prize Hampers for a competition run on behalf of **Bertolli**, offering the chance to win 'a luxury Mediterranean Hamper every month for a year'. We created a range of 12 unique hampers, each presented in a bespoke Bertolli branded gift carton, packed into a sturdy double-walled postal outer and dispatched directly to the winners using our tracked courier service.

Gift Boxes & Goody Bags

promote yourself at parties and events...

A Goody Bag or Gift Box is just the thing for launch parties, conferences or events - a great way to promote your brand and generate goodwill. We've worked with the Sales & Marketing team at **Four Seasons Hotels and Resorts** on a number of themed, personalised gifts to share with clients on themes as diverse as Hallow'een, Portugal and the Middle East. However our favourite has to be the hot pink box (with a gold logo) filled with brightly coloured Macaroons (pictured right)
